“I don’t really spend too much money, considering I am a freshman college student, but I do like eating out more the making something myself or the dining commons.”

“I always decide last minute where to eat; I’m not a big planner.”

“I’m on my phone a lot, but I don’t have many apps. Just really Facebook and Instagram.”

“I just don’t know many places to eat [in Davis]. So I normally just go to like the same three.”
